Our Phone Number is Changing. Our Services Are Not!

(Sedgwick County, Kansas) – In an effort to take advantage of new technology and modernize our telephone systems, COMCARE of Sedgwick County is making some changes.

As we replace telephone systems at our various COMCARE program locations, we will also change our general public phone number.

Please note our new phone number (316) 660-7500

- Crisis Intervention Services
- Suicide Prevention Services
- Crisis Assessment Program for Seniors (CAPS)
- Stress Trauma Assistance Team (STAT)
- Transition Team

Crisis Intervention Services, Non Emergency Number (316) 660-7525

Our continued dedication to serve our clients with their mental health emergencies 24 hours per day, 7 days per week will continue.

Please feel free to pick up a new COMCARE magnet at any of our COMCARE locations.
